

SUDHAN MOBILES SG

EMPOWERING YOUNG MINDS

SMARTPHONES BUILT FOR FOCUS, NOT FOR DISTRACTION

WHO WE ARE

A SMARTER PHONE FOR A SMARTER GENERATION

Founded in 2025 in Singapore, **SUDHAN MOBILES SG** introduces the **STUDENT PHONE** a purpose built mobile device for kids and students.

In an age of mindless scrolling and digital distractions, our mission is clear:
GIVE CHILDREN THE TOOLS TO CONNECT, NOT CONSUME.

With a clean interface and only essential apps **CALLS, TEXT, WHATSAPP, AND GPS** our Student Phone helps parents and educators empower students to stay safe, stay connected, and stay focused.

BUILT FOR FOCUS

WHY THE STUDENTS PHONE?

Feature Highlights:

DISTRACTION-FREE DESIGN

No social media. No video platforms. Just essential communication tools.

FOCUS-FRIENDLY

Engineered to help kids concentrate on learning—not endless scrolling.

REAL-TIME GPS TRACKER

Peace of mind for parents. Know where your child is, anytime.

ESSENTIAL APPS ONLY

Call, Text, WhatsApp—everything needed to stay connected, nothing more.

SCHOOL & PARENT APPROVED

Designed with input from educators and safety experts.

THE PROBLEM WITH TODAY'S SMARTPHONES

**TODAY'S PHONES AREN'T BUILT
FOR STUDENTS
OURS IS!**

Most smartphones are built for adults—and filled with distractions that reduce focus and well-being. Studies show that excessive screen time and social media use are linked to poor academic performance and anxiety in kids.

SUDHAN MOBILES SG

Offers a smarter solution:

A student-first device that nurtures productivity and protects mental health.

MADE FOR THESE MINDS

PARENTS

Keep your children safe,
focused, and free from online toxicity.

EDUCATORS & SCHOOLS

Encourage discipline, better screen habits,
and classroom engagement.

STUDENTS

Stay connected with family and classmates
without falling into the trap of distractions.

WHO IS IT FOR?

JOIN THE MOVEMENT TO EMPOWER YOUNG MIND

The Student Phone by **Sudhan Mobiles SG** is more than just a product—it's a mindset shift.

Help the next generation build healthy digital habits from the start.

Let's shape a smarter future, together.
